USCIS Expands Credit Card Payment Pilot Program to Form I-140 When Requesting Premium Processing

Release Date : 07/20/2021

U.S. Citizenship and Immigration Services (USCIS) today announced that it has expanded a [previously announced](#) pilot program at the Nebraska Service Center (NSC) for accepting credit card payments using [Form G-1450, Authorization for Credit Card Transactions](#), for certain applicants applying for premium processing.

On July 19, the NSC started accepting credit card payments using Form G-1450 for petitioners filing [Form I-140, Immigrant Petition for Alien Workers](#), with [Form I-907, Request for Premium Processing Service](#), or when filing Form I-907 to upgrade a pending Form I-140 to premium processing. The pilot continues to be limited to the NSC. At the end of the pilot, we will evaluate the results and determine the next steps for expanding this payment option for other forms or other service centers. The goal of this pilot is to bring USCIS one step closer to accepting digital payments using a credit card at all service centers.
